ADRENALINE DANCE (January 28, 29, 30th, 2011)

Liv Wysocki and Tayler Macios were chosen as ADC Crew members. The Adrenaline Dance Crew is a team of elite dancers chosen in each city from the junior, teen, and senior rooms. They perform a number choreographed by the Adrenaline staff to be placed in the Adrenaline Faculty Show in their regional city. They receive a full ride convention tuition scholarship to Adrenaline Nationals; 50% off tuition to one of Adrenaline summer events; \$250 off Pacific Coast Dance fest and \$200 off Soul Escape; an invitation to perform in the 2011 Final Night Gala with ADC members at Adrenaline Nationals; and they are eligible to compete for the National Title of Miss Adrenaline at Adrenaline Nationals. Congratulations Liv and Tayler!

Adrenaline Dance is proud to offer thousands of dollars in scholarships in each city to Adrenaline events and other outstanding dance programs. Students must registered for and attend both days of the convention to be eligible for scholarships.

The scholarship process begins on the first day of classes with all students being assigned an audition number. Adrenaline instructors initiate the selection process by assessing not only the individual's talent, but also their level of participation, enthusiasm, and their interaction with other dancers.

Based on the above process Carrie Eilerman received \$250 off a Pacific Coast Dance Fest scholarship and Clair Visconti received \$250 off Justin Giles' Soul Escape Summer Event Scholarship.
